

## **MINISTRY ASSISTANT (PART-TIME 21 HOURS)**

Uddingston: Park United Free Church of Scotland is a congregation of all ages seeking to know Christ and make Him known to others. Our aim is to build each other up through the regular teaching of God's word, prayer and Christian fellowship. Our Sunday service consists of bible-based teaching combined with worship, both modern and traditional.

We are looking to appoint a part-time Ministry Assistant to work alongside our current minister for an initial period of 18 months with the possibility of extending it by mutual agreement. We also employ a Children and Families' Worker, and the candidate would be expected to work alongside them. The role would be broad in its scope, encompassing all aspects of church life. The nature of the post will require a flexible approach to working hours including weekends and evenings. We would seek to tailor the role to the right candidate's individual skills and gifts.

The ideal candidate would already be involved in Christian ministry or be willing to undertake theological training approved by the United Free Church of Scotland (UFCOS). It would also suit someone already studying for a theological degree and looking for a part-time position. The candidate should be familiar with the UFCOS Manual of Practice and Procedure and subscribe to the theological position of a Presbyterian form of church government. More information about the denomination can be sourced at [www.ufcos.org.uk](http://www.ufcos.org.uk) and about our church at [www.parkchurch.co.uk](http://www.parkchurch.co.uk).

Salary is £27,756 pro rata subject to annual review. There is a group personal pension scheme.

Closing date: 31 January 2025

For further information, please email the Session Clerk, William Vint, at [wvint54@hotmail.com](mailto:wvint54@hotmail.com) for a full Job Description. Written applications, including an up-to-date CV, should be emailed along with the names of two referees to the Session Clerk.
